

Dear Friend,

Since our last newsletter in March so much has happened. Our Nov 10 to 14 trip is **almost full**. We have the largest team coming ever! 50 people have confirmed and we've purchased non-stop Alaska Air tickets. Unfortunately, there are NO lower cost tickets left on Alaska from LAX or San Diego. And sadly, the Villa Amor has no more rooms for married couples or families.

The trip only has a few more spots left for single males or females. In other words, you can be married, but joining us without your spouse, since there are no more hotel rooms for couples. If you are interested I can find an air ticket, but it may be on US Airways, or you may find airfare from where you live. If you'd be flying from outside Southern California you may have an easier time finding a lower fare.

For anyone still wanting to come, the price of the trip is \$595 plus the cost of airfare.

We have about 20 leaving from LAX and also from San Diego, 4 coming from New Brunswick, Canada, and several from Oregon and Louisiana. With 6 church and mission works thriving and construction in progress, there will be much to do. We will be staying in Sayulita this time at the beautiful Villa Amor...come and join us!

We do need help with purchasing Outreach supplies. Bibles, children's ministry materials, dental supplies, eyeglasses and more. We will be serving one of our new churches in a pretty impoverished village, and we'll set up clinics and a kids program at the local school. The La Fuente staff is doing an amazing job growing and multiplying. I would have never thought we'd be this far so soon since purchasing the first plot of land in Bucerias! Your support and prayers have truly made all the difference!

On the home front I am heartbroken to say I had to place my sweet wife of 59 years in a care home. This was the hardest thing that my 3 children and I have ever done. She is doing well there and I am getting good rest and starting to heal.

Please continue to pray for us.

George

Opportunity for a Matching Grant to Build God's Church!

I want to share an incredible opportunity with you that will be a great help to our work in Mexico. Sometime last year an anonymous donor made a challenge that he would give \$5,000 if we could match his donation for our church construction project in Bucerias. We were able to come up with the \$5,000, so we received \$10,000 within a few weeks! The same donor has made the same challenge again. We could really use the funds because we are just about ready to pour the roof for our second floor, which will cost about \$15,000 to complete.

If you want to be a part of the matching challenge just put MATCH in the memo section of your check.

Above is the front view as you walk into the property. Below are the 2nd floor offices.

Circle of Concern, PO Box 636, San Clemente, CA 92674-0636

The Latest from the Durkins and La Fuente Riveria

NEW CHURCH PLANT IN PUERTO VALLARTA!

Yes, we planted another church! Over the past 3 years La Fuente Ministries has worked with a wonderful couple, Pastor Manuel and Sandra Carrillo, who have been in Puerto Vallarta for several years. They had a small home church and we decided to partner with them in order to rent a strategic location in the Puerto Vallarta area. Along with other La Fuente Pastors and leaders we opened the doors to "La Fuente Vallarta" last month. About 70 people are attending the new congregation and they are doing outreaches to the local regional hospital and neighborhood.

3 CHURCHES, 3 MISSIONS, IN 3 YEARS

Three years ago we started our ministry with 10 plastic chairs, a flannel graph and a guitar under a tree. Now, every week over 300 people attend our churches and another 300 to 400 people are being ministered to in our missions and other outreach activities. The harvest is plentiful! Maya made a list of towns in our immediate area that need Christian churches. There are 16 towns within a half hour of us that have little to no Christian church.

WE NEED YOUR HELP!

For all of you who are partnering with us through COC I want to thank you for your generosity and support! We always are in need of different ministry tools. At present one of our greatest needs is: for Vehicles for our staff, There are 3 ministers who could use a 4 door sedan or family car with a 4 or 6 cylinder engine that's in good condition. Mexico has opened the doors to donate cars that are 15 to 10 years old. If you have a vehicle in good running condition we could sure use it! Let George know by email and he will connect us.

Our vision is to plant relevant, Bible believing churches with solid leadership who will disciple this generation to take their part in the Great Commission.

Blessings,
Keith & Maya Durkin

COC is blessed to be able to serve alongside La Fuente, who have both the heart and will to make a difference in their community. Won't you partner with us?
